EAST MIDLANDS CONFERENCE CENTRE,
NOTTINGHAM, UK

British Scoliosis Society

Welcome letter to the sponsors

Dear Colleagues & Partners,

On behalf of the British Scoliosis Society (BSS) and the organising committee, I am delighted to invite your company to sponsor our 48th Annual Meeting, taking place 18–20 November 2026 at the East Midlands Conference Centre, University of Nottingham. This year is particularly special as we celebrate our 50th anniversary.

The conference will bring together a diverse group of professionals, including consultants, trainees, physiotherapists, orthotists, and other specialists involved in scoliosis care. With internationally renowned faculty such as Michael Vitale and Jean Charles Le Huec, the event promises cutting-edge discussions on conservative care, surgical pathways, and trainee education.

Your hosts from the Centre for Spinal Studies and Surgery based at the Queen's Medical Centre, Nottingham have designated the theme for the conference as 'Improving Safety in Innovation'. This presents the ideal environment for companies to showcase how their products improve the care of patients with scoliosis.

Why Sponsor?

- **Unparalleled Access:** Engage with a large gathering of potential clients and decision-makers in spinal care.
- **Brand Visibility:** Showcase your products and services in a large exhibition hall at a venue with excellent transport links.
- **Business Opportunities:** Build relationships, generate leads, and launch new products to a highly targeted audience.
- **Collaborative Innovation:** Join us in promoting safety and innovation through close collaboration between industry and clinicians.

Additional highlights include meetings of the British Society of Intraoperative Neurophysiology and the National Paediatric Spinal Anaesthetist Network, as well as a conference dinner on campus. With everything located in one convenient setting—including an adjacent hotel—this is an ideal opportunity to maximize your impact.

There is a large exhibition hall within the EMCC and with straight forward transport links and easy access for companies at the venue, we will provide you with unrivalled facilities to allow maximum exposure and interaction of all technologies utilised in the care of patients with scoliosis.

We sincerely appreciate your continued support for medical education and look forward to partnering with you to make this landmark event a success. Please let us know if you would like to discuss sponsorship packages or have any questions.

Warm regards,

Mr MS Patel

Mr M Grevitt
