

BSIN 2026 Annual Meeting Sponsorship opportunity!

We are pleased to announce our forthcoming annual scientific meeting in collaboration with the British Scoliosis Society.

The meeting will take place at the East Midlands Conference Centre on 19 – 20 November 2026.

The meeting itself creates a unique environment to network with other healthcare professionals interested in the fields of spinal and neurosurgery. Along with colleagues from the British Scoliosis Society, members of the National Paediatric Spinal Anaesthetists Network will also be in attendance. Some elements of the conference will discipline specific but there will be exciting opportunities for combined multidisciplinary discussion.

We are offering organisations the opportunity to support the meeting and have a presence which will include a table-top stand allowing you to engage with attending delegates during the refreshment breaks and lunch and attend the sessions throughout the day.

This provides your organisation a fantastic opportunity to raise your profile and network with some of the leading professionals and promote your products and services.

There are very limited spaces for sponsorship – book today to avoid disappointment!
